

RETHINKING PROTECTION: Keeping DV Survivors Out of Child Welfare

**WEBINAR: MON. MARCH 25TH
3-4 PM ET FOLLOWED BY Q&A**

What are the alternative ways for teachers, child- and family-serving agencies, advocates, faith leaders, friends & family, and others to help children and their parents without involving child protection? Join this critical conversation to learn about the *actions, conditions, and experiences that can lessen the impacts of exposure to domestic violence (DV) on children, enhance the well-being of child and adult survivors, and help them heal and feel supported.*
